

Q Questions:

Why do all taxis in Finland have to have Alcohol Interlocks fitted - by law?

Why do all School Buses in France have to have Alcohol Interlocks fitted – by law?

Why are National Express fitting Alcohol Interlocks to all of their coaches?

A Answer:

Because alcohol interlocks don't just reduce the chances of an accident due to drink driving.

THEY STOP IT!!!

And just one more question...

Can you really afford not to protect the public, your passengers, drivers and vehicles and even, as a company director, risk a prison sentence?
